About the Author

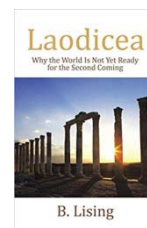

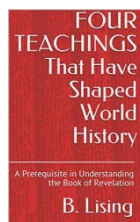

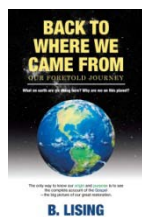

B. Lising believes in the perfect consistency of the Scripture—that all books of the Bible hold only a single message. He is also convinced that the last book is the summary of the whole Bible—the book of Revelation will connect all the dots and will reveal to us the big picture.

B. Lising got his first copy of the Bible at the age of 14. The year was 1986, and after only twelve months, he was able to read entirely the Old Testament once and the New Testament twice. He recalls that he did not understand much then, but he loves to read the Scripture.

Three decades later, he was able to write his first book *Laodicea—Why the World Is Not Yet Ready for the Second Coming*. His other books are *Four Teachings That Have Shaped World History* and *Back to Where We Came From—Our Foretold Journey*. These articulate and well-presented manuscripts will give readers a clear understanding about the origin of mankind and will provide the blueprint to prepare for the Second Coming.

B. Lising is an engineer by profession and currently living with his beloved wife and four wonderful children.

Seven Virtues of God Manifested in the Kingdom Gospel

The Lord Jesus said,

And this Gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.
(Matt. 24:14 NIV)

Knowing God is the central key in order for us to see the big picture of our great restoration. This will help us discover our origin and purpose.

Seven virtues of God were manifested in the Gospel of the Kingdom. As our outline, let us use the acronym **KGOSPEL**.

K ingdom	—God is king
G race	—God is love
O neess	—God is one (unity)
S alvation	—God is Saviour
P rophecy	—God is perfect (He is in full control)
E ternity	—God is eternal
L iberty	—God is freedom

KGOSPEL

Kingdom

(God Is King)

The prophet Jeremiah wrote:

At that time they will call Jerusalem The Throne of the LORD, and all nations will gather in Jerusalem to honor the name of the LORD. (Jer. 3:17 NIV)

God is king. He established authority over His countless creations. God's creation is so vast, and His dominion knows no bounds. And the seat of government of our Creator's kingdom is called Jerusalem.

The Lord Jesus is called the King of kings. The only ones who are qualified to be called kings with Him are those who were created after God's own image and likeness and those who belong to the new and everlasting covenant.

Grace

(God Is Love)

The apostle Paul wrote:

This grace was given us in Christ Jesus before the beginning of time. (2 Tim. 1:9 NIV)

God is love. The greatest love proclaimed by the Lord Jesus in the Scripture is to lay down one's life for one's friends. Yes, He did not only declare it but also demonstrated it. He revealed the highest form of love by laying down His own life for those He called friends.

Once man partakes of the tree of the knowledge of good and evil, he will not be allowed to partake of the tree of life. But because of the grace and love of our God, He made the supreme sacrifice so that His people could be free from the covenant of death and partake of the covenant of life and live.

Oneness (God Is One)

The Lord Jesus declared,

I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing.
(John 15:5 NIV)

God is one. This is the very reason why there is Jerusalem—a perfect realm of oneness. The first Jerusalem was supposed to be the holy city, where the Father, the Lord Jesus, the Holy Spirit, and God’s beloved people (His only creations who were fashioned after His own image and likeness) would dwell and reign eternally.

The fact that there would be a new Jerusalem proves that the dilemma truly happened before time began. God restoring the first Jerusalem and calling it New Jerusalem is the perfect plan of salvation.

Salvation (God Is Saviour)

The apostle Paul declared,

From this man's descendants God has brought to Israel the Savior Jesus, as he promised. (Acts 13:23 NIV)

God is Saviour. The name of our Lord Jesus means 'saviour'; our Creator has become our Saviour as well. This He did because we are His friends, His precious co-rulers in His magnificent perpetual kingdom.

It seems that the Scripture has given indications that in eternity past something off beam happened. There was a turn of events before the would-be kings took their due positions. This was the place where our Creator had to make that remarkably hard choice because it involved extremely painful sacrifice. Only God can do such a great feat. The Lord Jesus had to chase after us. He left the Father and entered earth to save us.

Prophecy

(God Is Perfect)

The angel declared,

Worship God! For it is the Spirit of prophecy who bears testimony to Jesus. (Rev. 19:10 NIV)

God is perfect. Why do we worship God? Because He alone is perfect and He is in full control—and the evidence is prophecy. Prophecy means events were already foretold even before they happen.

The apostle John was led to fall at his feet to worship the angel. But the angel himself stopped him and proclaimed the main reason why we should worship God: 'It is the Spirit of prophecy who bears testimony to Jesus.' This statement is actually the greatest manifestation of God's power that literally put everything under His full control.

Eternity

(God Is Eternal)

The apostle Paul proclaimed,

Now to the King eternal, immortal, invisible, the only God, be honor and glory for ever and ever. Amen. (1 Tim. 1:17 NIV)

God is eternal. He has no beginning, and He has no ending (He is the Alpha and the Omega). The infinite heaven was created because of the presence of our eternal God.

God's creation is so vast, and out of all His numerous creations, there were those who were created after His own image and likeness (and they were to become kings with Him). His great plan was for Him together with these kings to govern His entire creations in His eternal kingdom. Jerusalem is the eternal kingdom of kingdoms, just as God is the eternal King of kings.

Liberty

(God Is Freedom)

The apostle Paul declared,

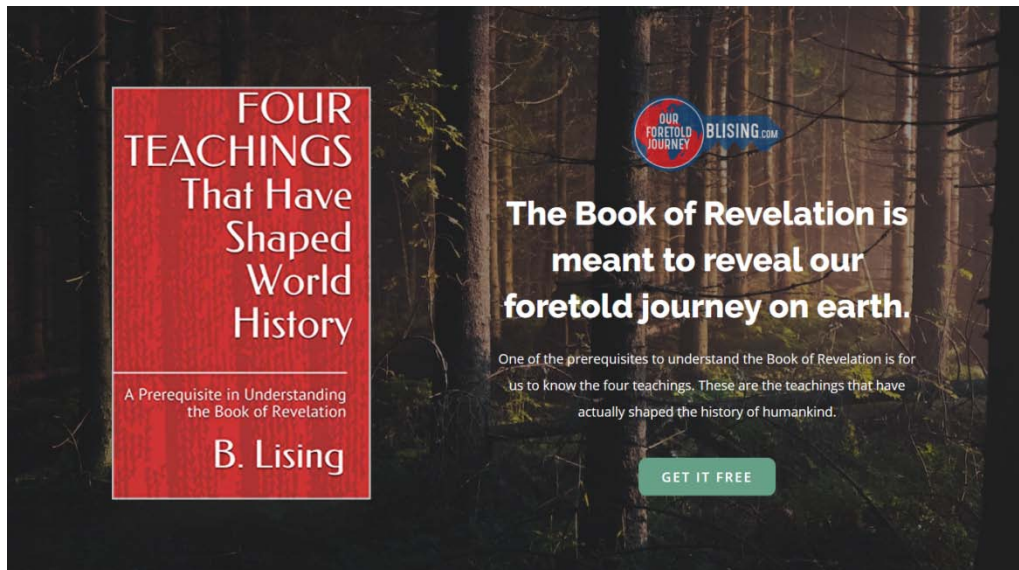

But the Jerusalem that is above is free, and she is our mother.
(Gal. 4:26 NIV)

God is freedom. Our first spiritual birth in eternity happened in the first Jerusalem. But our first spiritual bodies underwent death, so we need to be born again (our second spiritual birth) in order to re-enter eternity—and this will at last happen by the coming of New Jerusalem (the final fulfilment of the promise).

The Lord Jesus (as the sacrificial lamb) willingly took the penalty of death in order for us to be free from the law (the old covenant) and for us to become one once more with the source of life (the new and everlasting covenant).

Why are there so many religions in the world? Why are there so many church denominations? Did God foresee that this would happen?

Was this included in the deliberate plan of God? The answer is a resounding yes. This is actually part of the prophecy as indicated in the book of Revelation. This is definitely included in God's deliberate plan and foreknowledge because our God is in full control.

One of the utmost misconceptions in the Church today is the way God's people think about the last book of the Bible. The book of Revelation has long been regarded as the most divisive part of the New Testament (or of the Bible as a whole).

It is considered a controversial text containing apocalyptic imagery and mysterious symbolism that many say predict the end of the world (doomsday). For this reason, many do not even take time to read this

important part of the Scripture (the end part). Yes, the end part is the most significant part. It is placed intentionally and strategically at the ending.

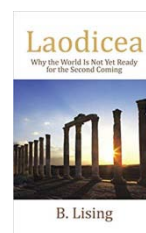

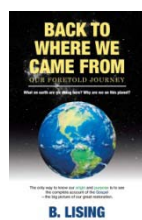

In fact, the first generation of believers had waited for this final epistle in full anticipation. It is supposed to contain the final instruction of the Lord Jesus before His Second Coming. Unknown to many, the book of Revelation is actually the summary of all the books of the Bible.

The book of Revelation, as the name suggests, means that this book has been given not to confuse the Church but to reveal the full Gospel message. The word *revelation* means the act of making something known that was secret—an enlightening or astonishing disclosure. The last book of the Bible is meant not to baffle us but to enlighten us.

To give emphasis, this controversial book was never written to confuse the Church—it is the testimony of the Lord Jesus, so it was designed to provide clearness.

FOUR TEACHINGS That Have Shaped World History is a prerequisite in understanding the Book of Revelation.

We can refer to the following books if we want to go through the full details in understanding the book of Revelation:
